

## **Redwood Rhapsody #12**

We become  
What we become,  
Seemingly  
By chance and choice,  
But actually,  
As inexorably  
As ripening plum,  
Or redwood tree.

So as you grow,  
To live and love,  
Be reminded of  
One rule of thumb:  
We become  
What we become.
